Staff Attorney

Neighborhood Legal Services Program (Washington, D.C.)

Position Type: Full-time

Geographic Preference: Mid-Atlantic (DE, MD, DC, VA)

Job Location(s):

Washington, District of Columbia (United States)

Description:

Neighborhood Legal Services Program (NLSP) seeks a staff attorney to join our Housing Cooperative Preservation Initiative beginning October 1, 2020.

NLSP is a private, non-profit law firm that provides high quality civil legal services to low-income residents of the District of Columbia. NLSP has a long tradition of fighting for justice for the poor, combining direct representation with efforts to achieve broad-based change. Its three offices are located in the poorest sections of the District, to maximize its visibility, accessibility, and connections to the communities it serves.

NLSP's Housing Cooperative Preservation Initiative ("HCPI") supports low-income, affordable housing cooperatives in the District of Columbia. Housing cooperatives provide a rare opportunity for those who struggle around the poverty line to experience the pride and stability that come with home ownership. Through a housing cooperative, low-income residents can control the building they live in. However, operating a housing cooperative comes with a variety of rules, regulations, and requirements that can be a daunting proposition for most members.

Through the Housing Cooperative Preservation Initiative, NLSP provides a variety of legal services and education to low-income housing cooperatives, while our project partner University Legal Services provides financial analysis and asset management.

DUTIES & RESPONSIBILITIES

The Staff Attorney will be a member of NLSP's 14-person housing team and will join HCPI's senior

staff attorney and project coordinator in providing direct, general-counsel style legal services to HCPI's limited-equity cooperative clients

This work may include:

- ☐ Assisting limited-equity housing cooperatives to comply with or to come into compliance with various regulatory, tax, insurance, and lender requirements, as well as the requirements of applicable subsidy programs.
- ☐ Advising and training board members of limited-equity housing cooperatives on their duties and other matters relating to good governance, such as updating, interpreting, and adhering to governing documents, policies, and procedures.
- ☐ Developing tools and training cooperative boards so that they can function without our help in the future.
- ☐ Attending cooperative board meetings as an advisor.
- ☐ Collaborating and coordinating with NLSP's subcontractor partner University Legal Services in order to provide asset management services.
- ☐ Creating educational materials for cooperative residents and other parties.
- ☐ Conducting community outreach to cooperatives who may be eligible for our services.
- ☐ Collaborating with other organizations that support cooperatives to provide direct support to cooperatives and to advocate for policy changes that would help limited-equity cooperatives generally.
- ☐ Liaising between third-party management agents and cooperatives' boards of directors, and advocating for cooperatives if their relationship with management becomes adversarial.
- ☐ Supporting pro bono attorneys and other outside counsel handling matters for our clients, including answering general questions regarding housing cooperative association clients and the law governing them, generally facilitating client communication and information sharing, and regularly monitoring case progress.
- ☐ Participating in NLSP's recruitment, training, and retention efforts to build our base of pro bono attorneys serving our clients.

This is a grant-funded position that currently is funded through September 30, 2021.

QUALIFICATIONS

The ideal candidate will have the following:

- ☐ A JD from an accredited law school and membership in the DC Bar in good standing or eligibility to become a member of the DC Bar
- ☐ Willingness and ability to provide legal services to organized client communities in a way that is empowering, where client (not attorney) leadership is at the forefront
- ☐ Experience working with diverse groups of people , ability to facilitate group decision-making; commitment to and experience empowering low-income communities
- ☐ Comfort taking on new areas of law
- ☐ Creative problem-solving skills, patience, flexibility and team-oriented approach
- ☐ Ability to work independently with minimal supervision and willingness to ask for help when needed
- ☐ Experience with at least one of the following (internships and clinics count): civil legal services, housing law, community development or affordable housing development, nonprofit or business law; transactional or real estate law, work with organizational clients in any area of law, or compliance work
- ☐ Willingness to work a flexible schedule and to be available outside of regular work hours when cooperative members are available.

SALARY AND BENEFITS

Education Fellowship, Supported by MARGARET Fund

National Women's Law Center (Washington, DC)

Job Type: Full-time, Fellowship

Job Location(s):

Washington, District of Columbia United States

District of Columbia United States

Job Description:

The Position

The National Women's Law Center is now accepting applications from recent law school graduates for a Fellowship on NWLC's Education & Workplace Justice team, supported by the MARGARET Fund. The fellow will work to promote equal opportunities for women and girls in school, with a particular focus on rights and opportunities for pregnant and parenting students, in addition to other projects related to fighting sexual harassment in schools and addressing the needs of girls of color. This fellowship term is for a term of one year and will begin late summer/early fall 2020. Recent law school graduates as well as individuals completing judicial clerkships or legal fellowships are welcome to apply.

About the MARGARET Fund - May All Resolve Girls Achieve Real Equity Today

Deborah Slaner Larkin, a longtime NWLC Board member and passionate supporter of the National Women's Law Center, established the MARGARET Fund in 1992. The Fund has enabled the Law Center to establish a MARGARET Fund Fellowship for talented attorneys who advance the Law Center's efforts to ensure that all schools provide nondiscriminatory environments on the basis of sex. Over the years, the Law Center has used the Fund to expand and confirm the protections of Title IX by winning landmark Supreme Court victories, to secure millions in financial aid for athletes who are women and girls by establishing new standards for athletic scholarships, and to restore legal protections for victims of pay discrimination by leading a coalition effort to pass the Lilly Ledbetter Fair Pay Act.

The Organization

The National Women's Law Center fights for gender justice — in the courts, in public policy, and in our society — working across the issues that are central to the lives of women and girls.

We use the law in all its forms to change culture and drive solutions to the gender inequity that shapes our society and to break down the barriers that harm all of us — especially those who face multiple forms of discrimination, including women of color, LGBTQ people, and low-income women and families.

For more than 45 years, we have been on the leading edge of every major legal and policy victory for women, and we need you with us to continue this fight.

Responsibilities

The fellow's work will include a focus on boosting supports for pregnant and parenting students. Other projects will support NWLC's work fighting sexual harassment and violence in school and lifting the voices of Black and brown girls to achieve policy change to improve school climate (e.g., ending unnecessary suspensions & expulsions, increasing counselors and other mental health supports, reforming racist & sexist dress codes).

The fellow's responsibilities may include

- Authoring a student-informed resource to destigmatize teen pregnancy/young parenthood and inform pregnant and parenting students of their rights in school;
- Assisting in emergent and ongoing litigation, including taking a first review of documents drafted by co-counsel, drafting portions of briefs, coordinating meetings with co-counsel, and communicating with client, as assigned;
- Writing fact sheets, blogs and other outreach materials for lawmakers on the needs of girls and gender-expansive youth returning to school post-COVID-19;
- Public outreach and education, including creation of materials (such as fact sheets, reports and toolkits) to expand awareness of available federal and state legal protections;
- Local, state and federal administrative and legislative advocacy to establish and strengthen legal protections for girls and women in school, including coalition work;
- Participating in litigation aimed at enforcing and expanding the rights of girls and women in school;
- Responding to requests for legal assistance;
- Other programmatic work as needed.

Qualifications

The candidate must possess:

A law degree

A minimum of 0-2 years of experience

- Excellent analytical and oral and written communication skills, including an ability to adjust communication style to suit various legal and non-legal audiences.
- Attention to detail and strong organizational skills.
- Ability to collaborate effectively with team members and coalition partners.

- Ability to be self-directed, work well with competing priorities, meet deadlines, and be creative in legal thinking and approaches.
- Willingness to ask questions and to receive and learn from feedback.
- Commitment to and/or experience in gender justice, racial justice, reproductive justice, LGBTQ+ equality, or other progressive issues.
- Interest or experience in legislative advocacy at the state or federal level.

Additional preferred skills and knowledge:

- Experience working in a research, advocacy, or policymaking environment;
- Experience engaging allies and stakeholders across sectors or movements;
- Experience working in coalition;
- Experience providing legal assistance or advice to individuals.

Key Relations

The fellow will report to the Director of Educational Equity and will work with members of the Education & Workplace Justice team, including the Vice President for Education & Workplace Justice.

Trenton, New Jersey (United States)

Camden, New Jersey (United States)

Description:

Court Term: August 25, 2021 through August 31, 2022

Individuals who have served or are currently serving a trial court or Tax Court clerkship may be eligible to serve an additional one-year clerkship in the Appellate Division or Supreme Court.

Start your legal career in a court system recognized as one of the best in the nation and enhance your future career prospects. Professional law clerk positions are available in the New Jersey Judiciary for individuals with strong communication and analytical skills. Supreme Court law clerks work with justices on complex cases involving difficult issues of law. Appellate Division law clerks conduct research, analyze legal data, prepare legal memoranda, process emergent motion applications, and proofread published opinions. Law clerks for assignment judges learn all aspects of court administration and assist with processing emergent motions. Trial court law clerks gain practical experience while gaining valuable insight into the judicial process. Under the direction of one or more judges over the course of the year, trial court law clerks observe judicial proceedings, attend conferences with attorneys and judges, receive training in mediation and mediate small claims cases and summarize information for judges. Tax Court law clerks perform duties similar to those assigned to law clerks in the Appellate Division and trial courts, but do not mediate cases.

As of June 15, 2020, applicants may apply directly to justices or judges through the Judiciary's web-based portal. Applications will not be accepted before that date. Applicants will be contacted directly by the justices or judges for interviews on or after June 22, 2020.

Qualifications: Law clerks must have graduated from a law school approved by the American Bar Association by the time of their law clerk appointment. The Judiciary's law clerkship program is intended for recent law school graduates, which is defined as graduating within the last four years. Selected candidates will be required to provide an official, final law school transcript, not a photocopy, which includes the date of graduation from their law school at the time of hire. Excellent writing and analytical skills are essential.

It is helpful to have completed a course in mediation prior to the start of the clerkship. Under Court Rule, all trial court law clerks who will serve as mediators must first complete the Judiciary sponsored 12-hour mediation training or its equivalent. Applicants selected for clerkships can request a waiver from attending the Judiciary's training program at the start of the court term by providing documentation that confirms that they successfully completed an approved alternative dispute resolution course.

Supplemental Information

Note: Law clerks may hold outside employment with prior approval as provided in the Code of Conduct for Judiciary Employees. The Code is available online at https://www.njcourts.gov/public/assets/access/codeofconduct_hr.pdf?c=O3g

Authorization to Work: US citizenship is not required. Selected candidate must be authorized to work in the US according to Department of Homeland Security, US Citizenship and Immigration Services regulations.

Special Note: Individuals selected for clerkships must agree to a thorough background check, which will include fingerprinting. All data received will be kept in the strictest confidence except to inform the individual of the findings and what action will be taken as a result of this information.

Residency Law: Pursuant to N.J.S.A. 52:14-7 (L. 2011, Chapter 70), also known as the "New Jersey First Act," all persons newly hired by the Judiciary must establish, and then maintain, principal residence in the State of New Jersey. Law clerks are not subject to the residency law during their 53 week term. Additionally, law clerks who serve a second clerkship in a higher court are exempt from the residency requirement. Clerks who anticipate moving into another state position immediately following their clerkship(s) must be mindful that, upon conclusion of their clerkship term, they will need to be New Jersey residents.

Approximately 480 clerkships are available. Of those, a limited number of clerkships exist for the Supreme Court, Superior Court Appellate Division, Superior Court Assignment Judges, Superior Court Chancery Division in general equity court, and in the Tax Court. Applicants interested in those positions should apply early during the hiring process. Most openings exist in the Superior Court Law Division in civil and criminal court, and Superior Court Chancery Division in family court. For additional information see the Judiciary's website at <https://www.njcourts.gov/public/lawclerks.html>. Minorities, women, individuals with disabilities and other protected class members are encouraged to apply.

The NJ Judiciary requires all applicants to complete the application process fully and as instructed. All applicants must complete the work experience and education sections and attach any required documents. Applications must describe all relevant work experience in detail, beginning with your current or most recent job, including military service (indicate rank), internships and job-related volunteer work, if applicable. Use a separate section to describe each position or gap in employment. Applicants who do not include or enter all relevant education history or work experience or who indicate "see resume" or enter their initials to verify that they do not possess any education history or work experience in lieu of a completed application will not be considered, unless you do not possess any education history or work experience. If you have not fully completed the application or followed the application instructions, return to your application and update any incomplete or missing information before submitting. Only applicants that follow the application instructions and submit completed applications will be considered.

The New Jersey Judiciary consists of: the Supreme Court, the Superior Court including the Appellate Division and the Trial Court of the 15 vicinages in New Jersey, the Tax Court and the Municipal Court System. The Administrative Office of the Courts provides technical assistance, operational support, training, research and development, budget and personnel coordination, and development and operation of information systems for the Courts of New Jersey.
