

MEREDITH CENTER FOR CAREER SERVICES AND PROFESSIONAL DEVELOPMENT
RECIPROCITY POLICY

1. Reciprocity is granted for three months beginning with date of account creation. Each renewal will be considered a new request. Reciprocity is generally unavailable during spring on-campus interviewing season, January 14 through February 20. However, special circumstances will be considered and limited reciprocity may be granted with permission of the Director.
2. Requests for reciprocity must be made in writing by a career services administrative officer. Requests must include the email address and full name of the graduate or student, and the requesting student must be in good standing. Reciprocity requests should be made via email to a member of the career services and professional development staff at WVU College of Law.
3. Reciprocity grants students access to view our job postings on Symplicity.
4. The Meredith Center for Career Services and Professional Development offers reciprocal services to graduates and students of other ABA accredited, NALP member institutions that provide reciprocity services to West Virginia University College of Law graduates and students. The Center reserves the right to adjust the stated policy if the requesting law school has a more restrictive or less restrictive reciprocity policy.
